### Daytona Bike Week. Fund Raising At Biker Fusion Event.

*Published by Cyril Huze February 18th, 2009 in Editorial and Events.*

Just a reminder to tell you that Biker Fusion will be held on Thursday, March 5th starting at 6 pm at the Dog House on Main Street in Daytona Beach. This year, in addition to benefiting Soldier's Angels, the event will raise money for the Black Hawk Medevac units in Afghanistan.

These special units include amazing men and women that serve as medics,

pilots and crew that save lives by treating and transporting our wounded heroes. To raise funds, Biker Fusion will auction off one-of-a-kind Hard Rock Fender Guitars specially designed by event hosts, Ami James, Christian Clayton, Shelly Rossmeyer and Billy Lane. Additionally, Biker Fusion message cards will be available for donations at any level. The Fusion cards have an image provided courtesy of renowned photographer, Michael Lichter. For a \$25 donation Biker Fusion is also a chance for the general public to mix with the industry elite while participating to a great cause.
