**SUCKER
PUNCH
SALLYS**
OLD SCHOOL CHOPPERS

The bike featured here will be given away at the 2009 Sturgis Motorcycle Rally on August 7. Or, more accurately, at the Legendary Buffalo Chip Campground in Sturgis, SD by the big three giveaway conspirators: Sucker Punch Sallys, the Buffalo Chip and Maverick Publishing.

Custom Chrome contributed a RevTech 115" motor to power this Rigid frame machine. A RevTech six-

speed transmission for gear changing came from K and G Cycles. Hawg Halters contributed the hand controls, triple clamps and brake calipers. The calipers work with high performance brake rotors that were delivered by Lyndell Racing Brakes. Moving the power from that big chunky motor to the six-speed gearbox is a Belt Drive Limited (BDL)-EV-500 two inch open belt drive primary Sucker Punch Sallys performed all the fabrication

and assembly and installed the very specially toolled leather seat from Lock Baker of Eastern Fabrications.

To enter the contest to win this outstanding old school style motorcycle, simply go to the Buffalo Chip during the Rally and sign up, or use the form on page 15 of this issue of American Cycle. Anybody who enters has a much better chance of winning this bike than anybody playing the

various state lotteries has a chance to win those big cash payouts.

If you wish to contact any of the companies that contributed parts, components and or expertise to the construction of this motorcycle, they can be contacted using the information provided. Good luck, see you at the Chip!

Sucker Punch Giveaway Bike 8/2009

Sucker Punch Sallys builds and sells 200 motorcycles every year. You might think that they are mass produced motorcycles, but every two wheeler that comes out of the Sucker Punch facility in Scottsdale, AZ is assembled by hand. If you've been following the construction of our giveaway motorcycle, you know that many companies contributed parts and components to this machine to get it done in time for the Sturgis Rally where it will be given away to one lucky winner. The Grand Prize winner will be drawn on August 7, 2009 at the Legendary Buffalo Chip. See you there!
