

Bushwackaswags Lite-Rider

Ideal for all facets of outdoor camping where storage space is minimal, BUT has special attraction for Bikers/all motorcycle enthusiasts as it is small enough to be placed in field pack, strapped to handlebars, placed in saddle bag, etc.

Features Include...

- Heavy duty poly/cotton canvas
- Large main storm flaps for adverse weather protection
- Ideal ventilation through the heavy duty zippered large main flyscreen and head screen
- Detachable "screw in" sturdy aluminum pole at head end with two eyelets, front and rear, for convenient, speedy set up
- Waterproof PVC base
- Water and bug proof
- Sewn in foot pad

Market price: \$305.00
