STEVENSON'S CYCLE: FOOT CONTROLS

Stevenson's Cycle is known for their innovative parts. These new controls are made of steel instead of a less durable metal like the common billet aluminum. They are designed to last. Foot controls are available in all black, all chrome, chrome and brass, black and brass, chrome and black, black and chrome and knurled or smooth brass toe pegs. They are also fully color customizable and can be powder coated with any color. For more information, call 734.641.2200 or visit www.stevensonscycle.com.
